## **FUNINO COURSE 2019'**

The Football University organizes **Funino** International Football Course focusing on educational, coach training and research backgrounds of football with the support of MLSZ Grassroots Directorate, with Hungarian Student Sports Association and with the support of the company Roby Baggio Horst Wein FootballHeroesschool

The Football University / Hungary is an official partner to the company Roby Baggio Horst Wein FootballHeroesschool  
The program schedule is named "Football University - Funino" <http://futballegyetem.hu/hu/programok>  
(Facebook : Futball University / Futball Egyetem)

The aim of the Football University football coaching course program held by international experts is:

- To provide modern and internationally accredited knowledge to the coaches working in youth sport.
- During the program we invite European instructors, coaches - they will pass their knowledge over to specialists and to football coaches in Hungary, and in abroad.

In the last years, we invited the most well-known Spanish (Real Madrid), German (Prof. M. Lochmann), Italian (AC.Milan, FIGC), Dutch (Ajax), Portugal (Victory)...etc.. experts whose internationally best drills/practices the Hungarian specialists can adopt. program.

**In this year 2019, we organize the football conference and workshop along different topics**
